COMMUNITY DISCUSSIONS ON THINGS THAT MATTER

## “What future for our rivers...

**Is it possible to reconcile competing demands for a scarce resource....in a drying climate?”**

## Paul Sinclair

Dr. Paul Sinclair is Healthy Ecosystems Program Manager with the Australian Conservation Foundation. Paul is well known for his marvelous book “The Murray: A river and its people”, published in 2001.

**Dig Café, Newstead**

**Sunday 28<sup>th</sup> March at 3:30pm**
