

"Rocket Science" # 12

COMMUNITY DISCUSSIONS ON THINGS THAT MATTER

Facebook? Twitter? The new Village Square? **SOCIAL NETWORKING**

PANEL DISCUSSION

David Stratton, Ben Hart, Barry Golding

David will guide the discussion with an enthusiast and a sceptic – there will be show and tell to answer any questions.

Dr David Stratton teaches computer networking and lives in Newstead
Ben Hart (BA Journalism) is a Chief of Staff in the State Government and wonders whether social networking is part of the political future
Associate Professor Barry Golding is a Ballarat University education academic and researches human face-to-face networks
